

# Front-end Developer

---

## Company

Quince is a one-stop retail activation agency. We take care of strategy, branding, print, interactive, (b2b) events and software for major international brands from the Telecom, IT and Consumer Electronics industry.

Quince is a unique, people-oriented company, which is reflected in loyal clients and a low staff turnover. Passion in your work, challenging yourself, taking responsibility, respect, having fun and exceeding expectations are core values.

Quince continuously invests in personal growth and in the latest technologies. More than 75 employees of various nationalities work at the headquarters in Amsterdam-Zuid and the branch in Budapest.

## Job function

As a Front-end Developer you will work in the new department Retail Solutions, where touchscreen applications and interactive displays are designed and developed, controlled by an intelligent CMS. What you develop is often rolled-out worldwide, becoming tangible in shops and trade fairs.

Within Quince you will work along with a large group of developers on back-end, front-end and mobile solutions. They all share a common interest in multiple software languages and environments such as PHP, Java, Unity, Grails, ActionScript, HTML / CSS / JavaScript, Android and IOS. You also collaborate with designers and copywriters. Project management is kept as much as possible within the team. As a new member of the team you will initially be linked to an experienced colleague, so you can quickly become familiar with our company and our particular way of working.

## Job requirements

- As a Front-end Developer you are practical, smart, entrepreneurial and willing to take responsibility;
- You have an higher education level and at least some work experience;
- You have experience with HTML5, CSS3 and Javascript.;
- Some knowledge of PHP;
- You are interested in AS3 (ActionScript);
- Mobile development (Android, Windows and iOS) has your attention.

## Offer

**Quince** offers a competitive salary, which can rise as a result of professional, but especially personal growth. Quince has an open and stimulating company culture and barely knows hierarchy. You will be working in an inspiring, spacious environment with various facilities for after work relaxation, including a private bar and a professional fitness room.
